Abstract Notification.

The attention of the public is invited to the notification published in pages 617-618, of the *Mysore Gazette*, dated 11th July 1918, calling for tenders for the supply of certain Electrical Materials required for the Department.

Abstract Notification.

Attention of the public is invited to page 644 of the *Mysore Gazette*, dated 18th July 1918, calling for tenders for the supply of materials required for use in this department.

Dated 15th July 1918.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer, to the Government of Mysore, up to 3rd August 1918, for constructing an upper storey to the Electric Laboratory at Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of November 1918.

2. The plans, detailed estimate and conditions may be seen at the Chief Electrical Engineer's office at Bangalore between the hours of 11 A.M. and 4 P.M. on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 300 in cash or Government Promissory-Notes as earnest money, and be superscribed "Tender for constructing an upper storey to the Electric Laboratory" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Abstract estimate for constructing an upper storey to the Electrical Laboratory at Bangalore.
